

# WULFIE BEAST IN SHOW

## Keep Wulfie busy with special-agent tasks

Libby gives Wulfie special-agent tasks to keep him out of mischief while she is at school! Can you think up five special-agent tasks for him? This could be anything from finding the smelly sock Libby has hidden for him in her room, to creeping on his tummy from one end of the room to the other without knocking anything over. The most important thing is that Veronika must not see him!
